BE A SPONSOR, PARTNER, AND LEADER IN THE INDUSTRY WITH CREDA SoCAL

CREDA SoCal

We invite you to be a sponsor of NAIOP SoCal in 2027.

2026 has been an amazing year and 2027 promises to be another impactful year for NAIOP SoCal and the industry.

Your sponsorship investment provides substantial benefits to your company and the people who work for it. Sponsorship in NAIOP SoCal provides ongoing value through personal and business relationships that can last a lifetime.

CREDA SoCal, formerly NAIOP SoCal, is the premier association representing commercial real estate in Southern California. Nearly 1,300 real estate professionals and 600+ of the top commercial real estate firms in Southern California are part of the powerful CREDA SoCal network.

Our top priorities remain providing sponsors and members with education, networking and a strong, unified voice on critical legislation and public policy issues in Sacramento, Southern California, and Washington, D.C.

With your support, we have accomplished much so far in 2026.

2026 Accomplishments

- Over 6,000 attended our programs and events.
- Over 1,000 attendees at a spectacular Atlantis-themed [Night at Fights](#) at the Orange County Fairgrounds
- Sold-out **kick-off event** in January featuring a 2026 Commercial Real Estate Outlook with an all-star panel of CRE Experts and lively networking.
- Incredible energy at the [5th Annual Orange County Real Estate Challenge](#) involving Chapman University vs. UC Irvine
- Phenomenal [5th Annual Awards Gala](#) as the iconic California Club in downtown Los Angeles, honoring companies, people, projects, and Hall of Fame Inductee Brett Dedeaux.
- Launched a landmark White Paper series with Beacon Economics and Pepperdine University highlighting the industrial real estate sector's contributions to Southern California's economy.
- Led CREDA SoCal Member delegations to Sacramento during key intervals in the legislative session and played leading roles in coalition advocacy efforts to defeat AB 1777 and SB 1075, help secure a gubernatorial veto of SB 954, and advance our co-sponsored bill - AB 2418 - to streamline permitting and plan check for nonresidential tenant improvements projects.
- Protected commercial and industrial districts and uses during zoning code updates in Pico Rivera and Santa Ana, defeated an uncapped business license tax increase on gross receipts in Irwindale, educated CREDA SoCal Members on compliance with the LA Regional Water Board's new CII Permit, and led business coalition engagements to narrow the impact of commercial tenant protection policies in LA County and the City of Los Angeles.
- Completed another successful Young Professionals Group ([YPG](#)) class and a highly competitive selection of the 20th class (2025-26)
- CREDA University programs providing timely, relevant industry education
- Matching 37 young professionals with experienced mentors
- Another sold-out, successful annual **OC BBQ** at its new venue, Newport Dunes
- A completely sold-out [OC Golf Tournament](#) at Coto de Caza Golf Club

We aren't done. More is planned for the remainder of 2026 including the [29th Annual USC vs. UCLA Real Estate Challenge](#) and the [LA Golf Tournament](#) and our annual [Career Day](#)!

We are bullish on 2027 where we will again provide superior networking events, industry education, engagement in our committees and a robust legislative affairs program with CREDA SoCal as the primary voice for the commercial real estate industry in Washington, Sacramento and Southern California.

We hope to earn your support in 2027. Our #1 priority is to serve and provide value to members and sponsors. We encourage you to contact any of us with questions and always welcome new ideas to improve member and sponsor experiences with CREDA SoCal.

Sincerely,

Tim Jemal
